Please record any additional notes about the weekend here ... _____

I will take or have taken my child’s temperature within the hour of his or her lesson and accurately recorded it on this form (if so directed) as well as assessing the activity level and recording (if so directed). I accept the responsibility to inform the Instructor of any medications my child may be taking. I realize I should check with my child’s pharmacist and physician concerning the activity of learning aquatic survival skills and swimming and contraindications for such medications.
